Meet the Brokerage Team

Becky Francis, Sam Woods & Charlotte Pike

Becky was the first Brokerage and Support Officer to join the team back in December 2014. Originally employed in a Sales and Marketing capacity, Becky's role has developed with the service. Skills: Makaton and speaks German!

Sam joined the Partner2Care team in October 2017 as the team Administrator before becoming a Brokerage and Support Officer in January 2019. Sam has a keen interest in finance and is one of the Payroll leads for the team.

Charlotte joined the team as a Brokerage and Support Officer in 2023, having previously worked with the Funded Healthcare Team in the Bristol, North Somerset and South Gloucestershire Integrated Care Board and before that in the Community Discharge Coordination Centre. Charlotte has worked within catering as well as fundraising and is now happily settled within the NHS.

What do the Brokers do, I hear you say?
